

CALIFORNIA POLYTECHNIC STATE UNIVERSITY

1 Grand Avenue, Building 3  
SAN LUIS OBISPO, CA, 93405

# SATURDAY MAY 22<sup>ND</sup> 2010 ADMISSION=FREE **CENTRAL COAST CODE CAMP**

PHP, JAVA, PYTHON, CSS/HTML/FLASH, ASP.NET/VB.NET/C#, SHAREPOINT/MOSS/OFFICE,  
CODING STANDARDS BEST PRACTICES, TIPS ON RUNNING A SMALL BUSSINESS OR  
IT DEPARTMENT, RUBY ON RAILS, LINUX/UNIX, OPEN SOURCE, SQL SERVER &  
MY SQL, AND ANYTHING ELSE YOU CAN THINK OF!

Yes, that is right! We are going to have our own **FREE** Code Camp in May of this year as a follow-up to last year's extraordinarily successful Code Camp v2.0!. A code camp is a **FREE** 1 day seminar put on by software developers in the community and abroad. It takes place on a weekend, so it doesn't interfere with working hours, and welcomes all people with an interest in sharing development ideas, philosophies, and most importantly CODE.

We are actively pursuing presenters as well as attendees, and everyone is encouraged to do both. You don't have to be a guru to speak at a code camp, you just have to have an idea to share and a desire to share that idea with your peers.

We are also actively pursuing companies that wish to contribute donations through our new nonprofit. It's a great event that needs your community support, so please join us in supporting the Central Coast Code Camp by sponsoring a room for a day, or sponsoring our "Geek" dinner Saturday night. There is no minimum for donating, please contact us for more information.
